

Diver Medic Refresher Training

**April 29, 2021
10.00-14.00 East Coast Time
Join us for a Zoom DMT Training Update**

The National Board of Diving & Hyperbaric Medical Technology is sponsoring a 4-hour divermedic refresher session.

The following subjects will be covered:

1. Monoplace-Multiplace Hyperbaric Delivery Systems; A Comparative Analysis for DCS Treatment in the Modern Era
2. "Kitsiderations": Recommendations for the diver medic's 'toolbox'
3. Medical Aspects and Management of Diver Barotrauma
4. Diagnosis and Management of Oxygen Toxicity During Treatment of DCS

An email with all sign-in information will be sent following registration.

A commitment fee of \$40.00 will be required.
