

National Board of Diving & Hyperbaric Medical Technology

Code of Conduct

The NBDHMT **Code of Conduct** represents a set of rules that collectively serve to outline the responsibilities of or proper practices for each Certified Hyperbaric Technologist.

Statement:

As a NBDHMT Certified Hyperbaric Technologist I, the undersigned, acknowledge and agree to honor my obligation to serve the highest standards of ethical conduct, integrity, and honesty. Further I agree that in the performance of my duties:

- i. I will conduct myself in a manner that reflects positively on the NBDHMT and the hyperbaric medicine discipline in general
- ii. I will refrain from behavior that harms the public and professional perception of the NBDHMT and the hyperbaric medicine discipline in general
- iii. I will conduct my employment consistent with all applicable rules, regulations and laws which health care providers in general and hyperbaric medicine personnel in particular are subject
- iv. I have read all of the NBDHMT published '*Position Statements*', understand their intent, and commit to remaining current as new '*Position Statements*' are promulgated
- v. I will promote adherence to all relevant facility and patient safety aspects described within the NBDHMT's '*Position Statements*'
